

Support
“Team Sierra”
As we
“Walk Now For
Autism Speaks”

Please join our Walk Now for Autism Speaks team by donating to this wonderful cause! We're walking to celebrate our students who have made incredible strides this year. We know that all students aren't as fortunate as ours are; they need our help as they continue to search for answers and hope. Autism Speaks is investing millions of dollars to fund research into the causes, prevention, treatments and cure.
